- Notes:**
1. The Faculty strongly recommends that applicants have completed a course in each of instrumental and choral pedagogy prior to admission. If they are unable to complete both or either course prior to admission, students are required to take EDCP 312 and/or 313 in addition to their BEd program.
 2. The Faculty accepts a Capilano University **Bachelor of Music (Jazz Studies) with General Studies – Education Stream** degree. Students must take EDCP 312 & 313 for their degree completion at Capilano University.
 3. Students completing a BA with a major in Music are not normally qualified for admission to the secondary option - Music. They would need to complete the same or similar courses in music that are required for completion of the B.Mus. with a major in General Studies (Secondary Education Stream) program. In other words, an applicant must have completed the specified areas outlined above as well as a breadth of coursework in music.
 4. Students are advised to complete the 4 credits of classroom instrumental techniques requirement during their B.Mus. degree program because courses to fulfill this requirement are not necessarily offered every year. Normally it is not possible to take such courses during summer session.
 5. The French immersion option is not available for Music.
