*The application form, application fee, and all supporting documentation are due by January 15, 2022.* Supporting documentation include:
- the Academic Requirements Form (found under "Supplemental Forms" online on the [Student Service Centre](#) after submitting the initial application form – section 3.0 below)
- official and sealed paper transcripts or official electronic transcripts (sent directly from the issuing institution) from every post-secondary institution you have attended apart from UBC

**TIP:** Do not wait until the deadline date to begin your application as we cannot help if you have computer/internet issues causing delays.
2.0 EDUCATION PLANNER BC
2.1 LOGGING INTO THE BEd APPLICATION

The application to the Bachelor of Education is completed through Education Planner BC (EPBC)
https://apply.educationplannerbc.ca/

The following instructions refer to how to apply online for all UBC Bachelor of Education program options including applications to the UBC Bachelor of Education at the Vancouver campus and our West Kootenay Rural Teacher Education Program (WKTEP) in Nelson, BC.

TIP: NEW – If you are interested at applying for the UBC Okanagan BEd program, you can now do so through the following process. There are still different admission procedures and supplemental requirements/documentation for the BEd program at UBC Okanagan, however, and we cannot advise you on their program requirements aside from filling out the main application portal. For more information on the UBC-O BEd, please see: https://education.ok.ubc.ca/describes-programs/bachelor-of-education/

Sign up for your Education Planner BC (EPBC) account and follow the steps to complete your Profile before selecting the post-secondary institution you intend to apply to.
Personal Information, Contact Information, Academic History

General personal and contact information for your application: information entered here will be visible to all post-secondary institutions you choose to apply to that uses the EPBC portal.

TIP: As the Bachelor of Education is a post-baccalaureate program, we require applicants to have had already completed a completed bachelor degree that is academically equivalent to a four-year, 120-credit UBC bachelor degree before they begin the program in any September start. If you have finished your degree or are in the course of completing a degree from a foreign institution, you may use this guide to review your degree’s equivalency: https://teach.educ.ubc.ca/admissions/apply/academic-requirements/international-credential-equivalencies/

Academic History: please provide complete information for all secondary schools and post-secondary (university/college) institutions you have attended or are still attending – including post-secondary institutions taken through an exchange program.

TIP: if your institution does not appear on the drop down list, simply select what is available (choose “Other”) and proceed. When you reach the end of the form, describe which institutions you have attended and the dates of your attendance on the “Application Summary” page, in the comment box.

TIP: To assist with matching your document/s from your post-secondary institutions, please indicate your student number from your home institution/s in this field, and not your UBC reference/student number.
While your secondary school information is collected by EPBC, you do not need to send your high school transcripts to our office. It will not be used for the evaluation of your application to the Bachelor of Education.

*If you have completed courses, however, in the following programs while in secondary school:*
  - Advanced Placement
  - Advanced Levels
  - International Baccalaureate

Please arrange to send official score reports to the Teacher Education Office (Section 4.2 below) as they are considered post-secondary credits and will be part of the evaluation process.

Selecting your post-secondary institutions is the last step of building the general profile for your application.

**2.2 SELECT INSTITUTION**

Select “Start Applying to an Institution” and look for the University of British Columbia from the available options.
2.3 UPDATE APPLICATION

2.3.1 Program Selection

*Use the following as a guide in filling out this section.* Applicants may only apply for one UBC Vancouver Program Choice. Please note that admission criteria and supplemental materials are different for each of these programs.

TIP: Applicants who have already taken credits or have completed/are completing their degree at the University of British Columbia must indicate their UBC student number on their application. Generating new student numbers might potentially delay the processing and evaluation of your application and create confusion in matching documents. **Personal Profile**

More information for preparing your Personal Profile submission can be seen here: [teach.educ.ubc.ca/admissions/apply/personal-profile/](teach.educ.ubc.ca/admissions/apply/personal-profile/)

Application essays (Bachelor of Education questions), your relevant experiences, and references. The essays can be a maximum of 1500 characters - it is to your advantage to provide a substantial essay. Very short essays are usually detrimental to an application. Applicants to the French Options or any of the Modern Language teachables must still write their essays in English. Applicants are permitted to list a maximum of five experiences that are relevant to their application.

For the experience requirement, 100 hours of practical experience (volunteer or paid) working with groups of 10 or more age appropriate students or youth is strongly preferred, with 50 from a single, continuous experience. Please note that some Canadian/BC experience is preferred. More information regarding experiences can be seen here: [https://teach.educ.ubc.ca/admissions/apply/experience-requirements/](https://teach.educ.ubc.ca/admissions/apply/experience-requirements/)

---

**TIP:** The supervisor’s name on each of the experiences may or may not be one of your referees. Please make sure to indicate the most current contact information for these.

**TIP:** The references field will allow us to double check the reference reports forms coming in on your behalf: you must still actively arrange for your two referees to send their confidential references directly to UBC. It will not be sent to them automatically. More information on the section below. (see Section 4.1 below).

**TIP:** Please remember to proofread and edit your answers carefully before hitting submit.

**On-Campus Housing, Education Additional Question, Academic Probation**

Link to information regarding on campus student housing and additional fields regarding your academic history. Under "Education Additional Question" you are required to disclose whether you have attended another teacher education program. Any academic issues (e.g. academic probation, failures, requirement to withdraw) are disclosed under "Academic Probation." The "Additional Comments" box is available for any information you feel is relevant to your application that you wish the admissions committee to know.
2.4 REVIEW & SUBMIT

Select payment options. Verify the accuracy of the information you have provided and agree to UBC’s use and protection of your personal information.

After submission of the initial BEd application and payment of your application fee, you will receive an email from our office noting how to check application status, including missing documentation. It can take 2-3 weeks before this email is generated so your patience is greatly appreciated. If you have not heard from our office 3 weeks after your application is submitted please contact teacher.ed@ubc.ca to confirm contact information. This is extremely important, as email is our primary method of communication, including any offers sent.

TIP: It is recommended to add emails from @ubc.ca to your email’s safe senders list. Please also make sure you check any junk/spam filters you have set in case our emails are not coming to your inbox.

UBC CAMPUS-WIDE LOGIN

The Campus Wide Login (CWL) system provides access to many of the University’s online systems.

Upon submitting your application: if you are new to UBC and do not have a Campus-Wide Login (CWL), you will be automatically sent an email with a CWL and an activation link that expires in seven days. This is an important step in your application so we would advise you to look out for this email carefully. Once your CWL is activated, you will then be able to access the Student Service Centre (SSC) where you can fill out the Supplemental Form (more information below). If you already have a CWL, you should be able to login to the SSC as usual and proceed with the Supplemental Form.
3.0 SUPPLEMENTAL FORMS

Once you have submitted your application and paid the application fee, you will have access to the online supplemental application forms via the Student Service Centre (SSC) (See Section above). [https://ssc.adm.ubc.ca/sscportal/](https://ssc.adm.ubc.ca/sscportal/)

Log in using your CWL, choose “Admissions”, and then from drop down menu choose “Supplemental Applications”.

![Student Service Centre](image)

**TIP:** It may take 1-2 business days for supplemental forms to be accessible after paying the application fee.

Academic Requirements Form – this form is meant to be a guide to both applicant and evaluator as to course work completed or in-progress that will meet our requirements. We suggest that prior to completing this form, you take a look at the self-assessment worksheets available on our website: [https://teach.educ.ubc.ca/admissions/apply/academic-requirements/](https://teach.educ.ubc.ca/admissions/apply/academic-requirements/)

**TIP:** It would be most helpful if you indicate the institution name, course code, number, and course title (e.g. "UBC ENGL 110: Approaches to Literature") on the Academic Requirements form.
4.0 SUBMITTING DOCUMENTS

We do require documentation that is not submitted as part of the online application process – reference report forms, official transcripts from all post-secondary institutions, official language proficiency test scores (if required), and proofs of registration if you are currently taking any coursework to meet our admission requirements.

NOTE: If you were a previous applicant who is re-applying for the September 2022 intake, you will need to re-submit all original documents relevant to your application including transcripts and reference report forms.

4.1 Reference Report Forms

Forms and detailed instructions regarding submission of the Reference Report Forms can be found on our website (https://teach.educ.ubc.ca/admissions/apply/references/).

We expect applicants to arrange for the submission of two confidential reference reports to be sent on their behalf. Information about the process can be seen on the link above, and submission instructions will be included as well as a reminder once we have sent you an email acknowledging your application within two weeks of your application submission. Self-identified Indigenous applicants may complete the Indigenous applicant reference form.

The Teacher Education Office requests contact information of referees on the main student application form’s Personal Profile only so that we are able to match the reference report forms with the applicant’s file when they come in. **Filling out the referee information on the main application form will not initiate the reference report process. Applicants must follow the instructions outlined on the link above for instructions.** Please note that the Faculty of Education will not accept more than two reports. Letters in lieu of these report forms are also not acceptable.

4.2 Official Transcripts and Proofs of Registration

More information about sending transcripts, international transcripts, and transcripts in other languages can be seen on our transcript portal here: teach.educ.ubc.ca/admissions/apply/transcripts/.

If you are completing, or have completed, any post-secondary studies at institution(s) other than UBC, you must arrange to have official and sealed paper transcripts or official electronic transcripts (sent directly from the issuing institution) from every post-secondary institution you have attended apart from UBC.
Mail transcripts to:
Teacher Education Office
Faculty of Education, University of British Columbia
Room 103 - 2125 Main Mall
Vancouver BC, V6T 1Z4

Electronic transcripts delivery: teacher.ed@ubc.ca

- If you have received transfer credits from an exchange program, we still require the transcript directly from the original institution, unless they were done through UBC Go Global. Please note we cannot get copies of transcripts from UBC Undergraduate Admissions if you have submitted them there previously – you will need to arrange to send new official copies directly to the Teacher Education Office.
  - Exception: Students who have completed an exchange program via UBC Go Global will not need to arrange for original transcripts from the foreign institution. It is still necessary for you however to list your foreign institution taken through exchange as a separate institution in your academic history (Section 2.1: Personal Information, Contact Information, Academic History).
- All transcripts from China must be verified by CHESSICC.

If you are registered or will be registering in coursework when you apply to the program, you will need to provide proof of registration for us to consider any application. This can be in the form of an official transcript or an alternative proof of registration. Please see our website for details. Please submit this as soon as possible after you register for your coursework.

NOTE: Your application will not be reviewed until all official supporting documentation is received, including acceptable proof(s) of registration, if you are enrolled in any coursework after the January 15 application/documentation deadline.

4.3 Language Proficiency Tests
If you have completed your degree at an institution in a country that does not satisfy the UBC English Admissions Standard, you will need to complete an English proficiency test within 2 years of applying to our program. The IELTS-Academic and TOEFL-iBT are the only tests we accept. If you are applying to any of our French options, you will also need to take a French proficiency exam.

- More information can be seen here: https://teach.educ.ubc.ca/admissions/apply/language-proficiency-assessments/
- French language proficiency exam information: https://teach.educ.ubc.ca/admissions/apply/language-proficiency-assessments/delf-dalf/
5.0 APPLICATION STATUS AND OFFERS

After you submit your application and pay your application fee, you will receive an email from our office, usually within 2-3 weeks, informing you how to check the status of your application, including documents received, online on the Student Service Centre (SSC). With the volume of applications and documents our office receives, this is the best way for you to confirm documents that we have received within a timely manner. It can take up to 3 weeks for documents to be processed and reflected on your Applicant Status, even for documents that have come in before an application is submitted.

Once you have submitted your application, we kindly ask that you refer to the SSC for updates. Contacting our Admissions Officers directly during the evaluation season slows down their ability to quickly and accurately evaluate applications received.

We will begin evaluating completed applications at the beginning of February, with the bulk of decisions being made in May. Admission decisions are emailed to all applicants and, if admitted, sent along with an admission package and further instructions.

**TIP:** Please ensure all personal information, especially email address and telephone number, are up to date as we primarily communicate with applicants via email. If you have changes to make to this information after you submit your application you can always update via the SSC.
