WHAT IS THE DUAL DEGREE?

- A pathway to complete **two degrees**:
Bachelor of Education concurrently with another Bachelor degree
- A learning experience that connects students' academic studies to future careers in teaching and shaping generations to come
- An opportunity to explore the reality of teaching and gain experience earlier during university studies
- An opportunity for UBC to address teacher supply demands in shortage areas while ensuring that BC students are learning from the best teachers in those subject areas

Students save **TIME** and **MONEY**

DOES THIS PROGRAM LEAD TO JOBS?

There is currently a high need for teachers with knowledge in certain teachable subjects, and in general. The dual degree program was designed to address shortages particularly in:

- **Home Economics**
- **Mathematics**
- **Music**
- **Physics**
- **Applied Sciences**

WHO IS ELIGIBLE?

The dual degree option is available for UBC students whose degree and major include:

UNDERGRADUATE PROGRAM	PAIRS WITH:	DEGREES EARNED:
Food, Nutrition & Health	BEd Secondary: Home Economics Education	BSc (FNH) & BEd
Forest Sciences	BEd Secondary: Biological Sciences	BSFS & BEd
General Studies: Secondary Music Education	BEd Secondary: Music Education	BMus & BEd
Mathematics	BEd Secondary: Mathematics Education	BSc & BEd
Natural Resources Conservation	BEd Secondary: Biological Sciences	BSCN & BEd
Physics	BEd Secondary: Physics Education	BSc & BEd

HOW TO APPLY

- **Students apply in December to January of year 2 or 3 in their home faculty program.**
- **Complete the application form available from the home faculty office or website.**
- **Complete the required personal essay (500 words).**
- **Arrange to meet with BEd Program Manager for the dual degree.**
- **See links to faculty websites: teach.educ.ubc.ca/dual-degree**

WHAT STEPS DO I TAKE TO APPLY?

Return the signed application to the home faculty advisor for processing:

- **Forestry:** forestry.undergrad@ubc.ca
- **Land & Food Systems:** ifs.advising@ubc.ca
- **Mathematics:** ugrad-coord@math.ubc.ca
- **Music:** music.advisor@ubc.ca
- **Physics:** ug-coord@phas.ubc.ca

All this and more explained at teach.educ.ubc.ca/dual-degree

WHAT ARE THE ADMISSION REQUIREMENTS?

- Apply in **Year 2 or Year 3** from the home faculty program.
- A minimum of a **65% academic average** is required and must be maintained throughout the program.
- Availability in **Summer Term 1** (late April, early May) for a school experience.
- A **Criminal Record Check**. Once you are admitted, you will receive a Criminal Record Check (CRC) from the UBC teacher education admissions team.

WHAT WILL THE PROGRAM LOOK LIKE?

- **Dual degree studies begin in summer following Year 2 winter with your first school experience (EDUC 319). Year 3 students take a three-week school experience (EDUC 319 + 399).**
- **Education courses are taken in Winter Term 1 of Year 3 alongside major studies courses.**
- **Year 4 includes additional Education courses during Winter Term 1, then Summer Terms 1 & 2.**
- **Year 5 is made up of remaining Education courses and practicum courses.**
- **Refer to dual degree program described under your faculty in UBC Academic Calendar for program outlay. (Links provided at end of presentation)**

A program plan is provided to you by TEO Program Coordinator Bette Shippam.

HOW DO I REGISTER MY COURSES?

- **Students will have two eligibilities on the registration system.**
- **Students register for Education courses under BEDS eligibility AND register for home faculty degree courses under the appropriate eligibility (e.g. BSc)**
- **Where unavoidable conflicts arise a TEO program coordinator will assist in registration or modifying the schedule of Education courses.**

CAN I CHANGE MY MIND?

- **The answer is YES.**
- **Students may discontinue the dual degree option by withdrawing from the BEd program and then proceed with completing requirements for Bachelor degree major in the home faculty.**
- **Students who do not complete the dual degree option can finish the first degree and apply to the BEd program later as a post-degree program.**

WHAT KIND OF SUPPORT IS AVAILABLE?

- **Students have a faculty academic advisor and a TEO program coordinator.**
- **Students meet with their advisors regarding course completion for each degree program.**
- **Students confirm graduation eligibility in the academic major during Year 5 Winter Term 2.**
- **The BEd program coordinator will review BEd requirements.**
- **Students graduate from **both programs at the same time** even if home faculty requirements are completed sooner.**

WHY CHOOSE THE DUAL DEGREE?

TIME:

- **Required to take fewer courses in Year 5 allows more flexibility**
- **Opportunity to reflect on meaningful learning between programs**
- **Credits & completion time saved due to less credits required in each program**
- **Earlier graduation (May) compared to the four-year plus one-year programs (November)**
- **Earlier teacher certification for hiring into teaching positions**

TUITION:

- **Reduced number of credits compared to the four-year Bachelor plus one-year post-degree Bachelor of Education = *less tuition fees***
